## EDUCATION

UNIVERSITY OF MUMBAI-THADOMLA SHAHANI ENGINEERING COLLEGE(TSEC) 2022-2026  
Bachelor of Engineering in Computer Engineering CGPA:7.35/10

## WORK EXPERIENCE

CSI(Computer Society of India) MARKETING DEPARTMENT Tenure 2023-2024  
Managed Teams on Discord for Rubix.  
Managed Panels for Judging round and Mentoring session on Google meet for Rubix.  
Got Google and Zomato reviews for marketing.  
Got seed registrations.  
Handled CSI social media account for few days. Captured memories of CSI events.

NSS JOINT SECRETARY. Tenure 2023-2024  
NSS\*Student Council Marathon TSEC (Management Volunteer).  
Made Donation Drive Props for NSS(Design).  
Participated in Road Clean up'

## SKILLS

Languages : Java, C, JavaScript  
Frameworks : Next.js, ReactNative, Expo, Express, Flask  
Libraries : ReactJS, Redux Toolkit, Socket.IO

Platforms : Github, Firebase, Docker, Appwrite  
Databases : MongoDB, MySQL, Vector DB  
Tools : Git, Figma, Postman, Prisma ORM, Canva

## PROJECTS:

### Hirehub

ReactNative, Expo and Firebase

- Developed a cross-platform mobile application providing a seamless and responsive user experience across all devices
- Implemented Firebase for real-time database management and TanStack Query for efficient server-state handling, reducing data fetch times by 20 percent and improving overall app performance
- Managed the end-to-end process of deploying HireHub on the Google Play Store, ensuring compliance with all guidelines and optimized the app for submission, testing and review (View Live)

### CertiSure

NextJS, Flask, MongoDB, Tailwind CSS

- Developed a streamlined certificate generation SaaS platform significantly reducing manual intervention and enhancing accuracy in certificate issuance
- Enhanced user experience by implementing intuitive UI/UX elements, resulting in a 20 percent increase in user engagement and satisfaction while navigating the certificate generation and verification process.
- Optimized backend functionalities by leveraging Flask, resulting in a 30 percent improvement in processing speed contributing to quicker turnarounds for clients. (View Live)

## ACHIEVEMENTS AND COMMUNITY

- Participated in numerous hackathons, achieving victory in 3.
- By developing innovative solutions and demonstrating exceptional problem-solving skills, teamwork, and technical proficiency under time constraints.
- Led marketing and support initiatives for CNCF Thane, organizing meetups, events, and workshops on Cloud
- Native technologies to foster collaboration and community growth. Volunteered at prominent tech events including
- Cloud Community Days Mumbai 2022, DevFest Mumbai 22, and KCD Mumbai 2023
